I am committing to a Pledge Donation of \$_____ to the *Community Fund to Rebuild Lake Delhi*. I understand that we are being asked to send at least 10% of this Pledge Donation amount as a cash donation now to receive the recognition and reward gifts. I am sending \$_____ now as an immediate *cash* donation towards my total Pledge Donation commitment.

I also understand that additional cash donations towards my pledge contribution will be requested for the Community Fund to Rebuild Lake Delhi as progress is made on the project, and this may happen at any time, with 30 day notice (or alternative option below: Scheduled Payment Program). I understand that should some of my pledge donation not be needed for any reason, it will be proportionately reduced based on all donor pledge commitment amounts.

Check any or all that apply:

- Scheduled Payment Program (1/3 cash donation now, 1/3 paid on 1/1/2012, and 1/3 paid on 1/1/2013)
- I would like to make this contribution 'In Memory of: _____'
- I would be willing to make another pledge/donation contribution at a later date
- The company I work for may be interested in doing a 'match donation' program for this cause
- I wish to remain anonymous - not have my name made public with respect to this pledge or donation
- I would like to make my cash donations via 401K, IRA, Annuity Distribution, Stock, Property, or Land
